

To complement the blue pearly granite countertop, 4" x 4" Ville Clear grey glass tile is used with a 1" x 1" Ville Blue sky glass tile for the kitchen backsplash. The sink is a stainless steel single bowl undermount Franke sink with a single lever Franke chrome faucet. The color of the crown molding is an accent used throughout the space. Pickled oak cabinetry and pewter hardware emphasize the casual feel. The trim on the bottom of the cabinets conceals the under-cabinet task lighting. *Courtesy of Zugic Photographers.*
